Re: Copyright infringement URGENT - www.montazeri.com

Dear Ms. Thompson,

I'd like to notify VERIO Inc. of a serious breach of International and US Federal Copyright laws by a the operator of www.montazeri.com, which is hosted by a client of yours.

Currently, this web site is distributing our copyrighted material. The manner in which our copyrighted material is used by the web site is not authorized by us and in a clear break of copyright laws.

The copyrighted material is a TrueType font in the form a single file: **AALF.TTF**. This file is made available for free download through <http://www.montazeri.com/Aalf.ttf> (the referring page is <http://www.montazeri.com/Rahnama2.html> - the first link at the top of the). This font is an illegally modified version of our **Persian Web** font (available form <http://www.isc.com.au/WebFonts/PersianWebManual.htm>). As you can see from the screen captures below, the file **AALF.TTF** still contains our copyright statement.

Illegally Modified File

Original File

I believe the site is operated by Malek Jahan (600 Lindell Blvd. Suite 800, St Louis, MO 63108, U.S.A., Phone: 314 625-1863) and hosted by HiSpeed Technologies, who seem to be a client of VERIO Inc.

I request your cooperation in putting an immediately end to the distribution of our copyrighted material through VERIO's infrastructure. We hereby authorize VERIO Inc. to act on our behalf to address this breach of copyright laws.

The information in this notice is accurate, and under penalty of perjury. International Systems Consultancy is the copyright owner of **AALF.TTF** and I am authorized to act on behalf of the copyright owner.

Yours sincerely,
Tooraj Enayati.
Director and President
